

Amendment

Mask Requirements Lifted

On June 15th at 7:39 pm the Rockwell Falls Board voted to amend the temporary safety policy practices regarding social distancing and mask wearing in the library.

This is in accordance with the governor's lifting of restrictions.

- **“Governor Andrew M. Cuomo today announced that COVID-19 restrictions are lifted immediately as 70 percent of New Yorkers aged 18 or older have received the first dose of their COVID-19 vaccination series. The State's health guidance and New York Forward industry specific guidelines—including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, health screening, and contact information for tracing—are now optional for retail, food services, offices, gyms and fitness centers, amusement and family entertainment, hair salons, barber shops and personal care services, among other commercial settings.**
- **Unvaccinated individuals continue to be responsible for wearing masks, in accordance with federal CDC guidance. Consistent with the State's implementation of the recent CDC guidance, masks are still required for unvaccinated individuals. “**

Please note: We will still require unvaccinated people to wear masks.

Emergency requirements

The Rockwell Falls Public Library reserves the right to reinstate mask and social distancing requirements in the event Warren County sees an increase in Covid statistics. Any changes will be immediately posted on our website and in our building.
