

Rockwell Falls Public Library

Annual Report and May and June Events

Director's Note

The Rockwell Falls Public is happy to share with you our Annual Report to the Community. Here you will find all of our statistics for the year taken directly from the report we send each year to the New York State Board of Education, Division of Library Development.

This list in chart format are programs, circulation, services, and library usage.

We are also looking for individuals to be our Long Range Planning Committee for our 2024 to 2028 plan. If you are interested in joining the committee please contact our interim vice president, Janet Silburn, jsilburn.rfpl@gmail.com

Our library-wide shelving update is complete and we have re-opened Tuesday, May 9th 2023. We look forward to seeing you here.

Kind regards,
Courtney Keir, Library Director
